Big Bertha rolls into town

The Bluewater Michigan Chapter of the National Railway Historical Society and the Crawford County Historical Society held their Grayling Train Excursion on Saturday and Sunday. The weekend featured the Grayling Color Tour Excursion, which included a two-hour trip through the fall colors on Saturday. The passenger cars were pulled by a historic Alco diesel locomotive, pictured on the left, owned by Lake State Railway Company, called Big Bertha. Above right, Paul and Andrew Kanary, 3, of Grayling, were downtown Saturday to greet the train as it rolled into town. Andrew dug his train whistle and conductors hat out of his toy box for the train excursion festivities.

Four vie for city manager position

by Dan Sanderson
Staff Writer

Grayling City residents are encouraged to attend a meeting on Saturday, when four candidates vying for the city manager's position will be interviewed.

The first interviews will be held at 9 a.m. and 10:30 a.m. on Saturday, Oct. 14 at the Grayling City Hall. The other applicants will be interviewed at 12:30 p.m. and at 2 p.m. The interviews are open to the public.

Philip Belcher, from Clinton Township, David Thayer, from Lexington, and Victor Cardenas from Ferndale are three of the candidates who will be interviewed for the position. A fourth candidate has requested that their name be kept confidential prior to the meeting on Saturday.

Consultants from the Michigan Municipal League, who are helping recruit a new city manager, and city officials withheld the name of prospective city managers before releasing the information on Tuesday.

City officials are trying to ensure that the candidates receive a fair and impartial opportunity during the interview

Third graders support museum's efforts

by Dan Sanderson
Staff Writer

Cookies, cookbooks and contributions around the house are helping add to the coffers at the Crawford County Historical Museum.

The 135 third graders from Grayling Elementary School recently toured the museum as part of a school project to learn about local history and the core democratic value of looking out for the common good.

On the walk back from the museum downtown to the school, students brainstormed on how they could help the museum. Kaylyn Camp, a student in Laurie Canfield's class, came up with the idea to raise funds for the museum, and the plans took off from there.

Students were given until Friday, Oct. 13 to come up with their own fund raising ideas to raise money. One student donated their allowance, and others pitched in to do extra chores around the house. Dakota Mansfield, a student in Gina Brunskill's class, developed a cookbook based on the museum's recent train color tour

Teachers contract approved

by Dan Sanderson
Staff Writer

Crawford AuSable School District officials have approved a contract with the district's teachers.

The Crawford AuSable School District Board, at a special meeting held on Monday, Sept. 25, approved a contract with the Crawford AuSable Federation of Teachers, the labor union representing the district's 124 teachers.

Terms of the contract include a 1.5 percent pay hike. Teachers are also required to pay \$10 per month toward the premium cost for health insurance.

"We're pleased that we have finalized the contract with the teachers and we look forward to a good school year," said Joe Powers, the superintendent for Crawford AuSable Schools.

The school board had hoped to settle the contract in August, prior to the start of the school year. Members of the teacher's union, however, voted not to approve the one-year proposed contract due to salary, insurance

Barricaded gunmen surrenders peacefully

A barricaded gunman, who fired off shots while his family was in the home, surrendered to police after creating a disturbance in Grayling Township last week.

Patrick John Smith, 57, was charged in Crawford County District Court on Tuesday, Oct. 3 for reckless discharge of a firearm while intoxicated.

Crawford County Sheriff Kirk Wakefield said police were dispatched to Smith's home located on E. Four Mile Rd. at 7:21 p.m. on Monday, Oct. 2, in response to an intoxicated man creating a disturbance.

Upon arrival, deputies learned that Smith had barricaded himself in a back bedroom of the residence with weapons.

Officers attempted to speak with Smith and get him to come out. Smith refused to leave the bedroom and fired several shots with a firearm inside the bedroom. Officers backed out of the residence to await the assistance of the Northern Michigan Mutual Aid Swat Team to respond to the scene.

After talking with Smith on the phone for several hours, Wakefield was able to convince him to exit the residence and surrender peacefully.

Seventeen Swat officers from various Northern Michigan counties responded to the scene. The officers searched the home and secured the guns after Smith surrendered.

Deputies and officers from the Grayling City Police Department took Smith into custody at 10:54 p.m.

Smith was released after posting bond on Wednesday, Oct. 4.

Troopers from the Michigan State Police Houghton Lake Post assisted at the scene.

Burtch recognized as GHS Honored Alumnus

The Grayling Alumni Association honored James Burtch for his service and dedication to the community at its recent banquet.

Burtch, a member of the Grayling High School Class of 1953, was recognized as the 2006 Honored Alumnus at the Grayling High School Alumni Association's banquet held at the Holiday Inn, Grayling on Sept. 9.

During Burtch's high school days, he played four years on the basketball team, serving two years as the team captain and obtaining some of the school records. He also participated in track for four years, baseball for three years and played the saxophone in band for six years.

After graduation, Burtch attended Michigan State University (MSU) and played on the basketball team for a year and a half. He graduated in 1957 with a degree in economics. Burtch then joined the Army and was commissioned as a second-lieutenant through the ROTC program at MSU. He

served two years as commanding officer of an Explosive Ordinance Disposal unit before he was discharged in 1960.

Burtch pursued a career in banking, and graduated from the University of Wisconsin Graduate School of Banking in 1970. He continued in the business for 38 years, and held the position of bank president at three different banks for 18 years. Burtch returned to the Grayling area in 1997 and retired from Citizens Bank in 1998.

Shortly after returning to Grayling, Burtch was asked by Helen Feldhauser to be a member of the GHS Alumni Association. At his first meeting, Burtch was elected to the Board of Directors for the Alumni Association and has served as president of the organization for the last eight years.

Jim and his wife, Diane, have five children, 11 grandchildren and one great-grandchild.

Burtch helps run the Diane's Car Wash and JD Car Wash locations in Grayling, which he

owns with his wife. He is a member of the Masonic Lodge, the Shrine Club and the Rotary Club of Grayling. He has volunteered for several Grayling Regional Chamber of Commerce activities, and has also coached the Grayling Middle School basketball team for several years.

Burtch has been on the Crawford County Road Commission for the last four years. He recently became a member of the Michigan Volunteer Defense Force, serving as a captain in the organization.

Burtch was humbled to be honored by the Alumni Association.

"I am very honored and appreciative of the Alumni Association for selecting me as their honoree this year," he said.

Alumni from the Class of 1936, celebrating 70 years; Class of 1946 - 65 years; Class of 1941 - 60 years; Class of 1956 - 50 years; and Class of 1961 - 45 years; attended the banquet.

Governmental Forum to be held

The Crawford County Economic Development Partnership (CCEDP) has taken the lead role to organize the annual governmental forum in Crawford County. Planning for the event began in early June.

The forum will bring governing bodies together on Monday, Oct. 30, at the Holiday Inn in Grayling. The evening will begin with a social hour/cash bar at 5:30 p.m. At 6 p.m. governing bodies will officially call their meetings to order and call roll for each.

The buffet dinner will be served at 6:15 p.m. Each governing entity will present a brief report on its successes over the past year, followed by an update and discussion of economic

development.

The City of Grayling, Crawford County, Crawford-AuSable School District, County Road Commission, Beaver Creek Township, Frederic Township, Grayling Township, Lovells Township, Maple Forest Township, South Branch Township, and the Crawford County Transportation Authority have been invited to participate.

"I've seen how a joint governmental forum like this can help governing entities work more closely, lead to tax savings for citizens, and ultimately lead to collaboration on projects of all types and sizes," explained CCEDP Executive Director Gaila Gilliland.

The forum is open to the public. Cost of the dinner is \$18.50 per person; dinner reservations are required and must be made by Oct. 20. Contact Gilliland by email at gailag@i2k.com by phone at 348-9030 to make a dinner reservation or for more information about the forum.

OPINIONS

ALMANACK

by Richard L. Milliman

Voters still thinking it over as election nears

MICHIGAN WILL select a governor for the next four years on Nov. 7, and many voters still are undecided how they will vote.

According to one poll after the first debate between Democratic Gov. Jennifer Granholm and Republican challenger Dick DeVos, both lost ground to the undecided category. Gov. Granholm still leads in the poll, but the margin is smaller.

The pre-debate poll showed Ms. Granholm ahead 50-42, with 12 percent undecided.

After the debate, both had lost a little ground. Mr. DeVos gained a bit, but undecideds went up three points to 15 percent. Ms. Granholm still led but only by four points, 46-40.

Politically speaking, the debate wasn't very good for either candidate. Some voters tended to say, "Wait a minute. Let's think about this for a while."

THE RELUCTANCE to decide comes after a record high \$25.9 million spending spree on advertising, most for 30 or 60 second TV spots. Gov. Granholm and Democrats have plowed \$8 million into TV, while Mr. DeVos has invested a whopping \$17.9 million, much of it his own funds. And that's with one final, intense month to go.

In comparison, in the 2002 governor's race, total spending by both candidates —

winning Democrat Granholm and losing Republican Dick Posthumus — were reported at \$17.9 million, with Democrats at \$9.4 million and Republicans at \$8.5 million.

Heavy TV spending is expected to continue in the final weeks until voting day.

What does it take to run for a statewide office in Michigan these days? Either a very, very rich person, or one with very deep convictions plus either the deep pockets or a wide array of influential and rich friends.

THE DEVOS TV campaign followed a definite pattern. Starting in February, it was a name recognition campaign, all about Dick DeVos. It worked well, as polls showed a steady growth in his support as his name became more widely known.

In early summer, DeVos ads turned more negative attacking Ms. Granholm's record, emphasizing Michigan's economic slide during her watch, plus adding to Mr. DeVos' positive side. Finally, in more recent days, the DeVos ads are more condemning the Granholm record and performance.

Democrats, meanwhile, started attacking Mr. DeVos early, emphasizing his business dealings including job cuts in Michigan and investments in China. These mostly were products of the

Democratic State Central Committee, all anti-DeVos. They continue.

Ads coming from the Granholm campaign organization follow similar lines since her TV spending started in late summer.

The same lines of negative attack by both sides permeated the first statewide televised debate, and probably caused fringe support on both sides to hold back.

HEAVY RELIANCE on negative attack campaigns may be a product of our times. Political consultants are firm that negative advertising is the only way to get elected, and the idea feeds on itself.

A cynic might point out there's no way to prove otherwise these days because everybody is doing it, and the candidate who attacks most effectively wins. But how can we know for sure, since nobody attempts a strictly positive campaign any more?

But does it really change anyone's mind?

Democrats have concentrated on Mr. DeVos private record. They claim he cut jobs in his own company in Michigan, and built a plant in China. They accuse him of buying support in Washington to influence laws in his own behalf. And lately, they condemn his investment in a nursing and care facility located across

the country, including Michigan.

Republicans concentrate on Michigan's economic record during Ms. Granholm's four years as governor, blaming her for job loss and high unemployment. They hint she's responsible for releasing murderers from prison and providing inadequate youth protections by the state, leading to maltreatment of kids and the death of at least one child. They claim she let a new auto plant slip through Michigan's fingers because she snubbed Honda during an investment seeking trip to China.

All these charges by both sides are phony to one degree or another, and can be explained, justified or proved to be untrue. Yet both sides persist in their attacks.

This scenario causes unsure voters to ask themselves why they should vote for either one. It seems to have shifted some voters from committed to undecided.

HISTORICALLY ABOUT one third of Michigan voters are Republican, one third are Democrats, and one third swing back and forth. That's why for years we have elected some Democrats, some Republicans to statewide office.

My theory is that negative campaigning, such as the charges flying out of both camps this year, tend to reinforce those who already are supporters of one side or the other.

The third in the middle hear these attacks, and some are convinced, and move to one candidate or the other. But a drumbeat of such negative pounding, with no positive counter-balance, may cause these late blooming supporters to question their choice.

The die-hard middle — those who start out undecided and stay that way pretty much until election day while they watch the campaigns unfold — continues to ask: "Okay. But what with either one really do if elected?"

With less than a month to go, 15 percent of voters still haven't decided. The continuous bombardment of negativism may be turning them away from both candidates.

What they finally decide will determine the election. There are enough of them at this point to elect the governor.

What will they do? They may hold their collective noses and break one way or the other. They may split as those already decided are lined up; that's what pollsters usually predict will happen. Or they may just throw up their hands and stay home.

It's just too bad that there is very little of a positive nature to help us decide.

Is Grayling trying to kill tourism?

To the editor:

The expressway exit with no return, leaves many tourists hopelessly lost.

The Houghton Lake Clark gas station had gas for \$2.03 on Thursday. Sunday, a customer in Grayling's Clark station said she got gas for \$1.98 on

Saturday in Houghton Lake. It's been like this for over a year, 10 to 20 cents more. I work in Grayling and find myself shopping in Houghton Lake to buy gas.

American Cruelty?

To the editor:

I am hearing more and more from the Muslim community and others about American cruelty in our past, namely: "Dropping atomic bombs on Hiroshima and Nagasaki." As World War II becomes more and more distant history, I am afraid that our young people are going to start believing this wrong information.

I feel qualified to try and set the record straight on the consequences if we had not dropped these bombs when we did.

I was a Marine pilot flying transport aircraft and was stationed on the Island of Guam in World War II. During the battles for Iwo Jima and Okinawa our squadron was flying Marines and supplies into the islands. When the war ended our job was to fly Marines and supplies into Japan and China. When Okinawa was secured the plans were that the Army and Marines would be invading Japan in the near future.

History shows that this type of battle would have been disastrous for both the Americans and the Japanese. Not only their military would have fought the Americans, but also many civilians.

In the battle for Okinawa, the Kamikaze (suicide) pilots were sinking many of our Navy ships. In an invasion of Japan, there was a question on how capable the Navy could be in protecting our ships that would be providing troops and supplies to Japan with this new danger to our ships.

I am fortunate to have a copy of the book "I Was Defeated" by Yoshio Kodama, printed in Japan in 1950. The author held a high position in the Japanese government during the war. He mentions that the allied powers had warned the Japanese to surrender unconditionally on the basis of the Potsdam Declaration on July 27. On July 28 Japan rejected it. The military leaders were deter-

mined to fight to the very last. On Aug. 6, the atomic bomb was dropped on Hiroshima. On Aug. 9, the atomic bomb was dropped on Nagasaki. Their military was still determined to keep on fighting. On Aug. 13, the military leaders finally agreed to a surrender. On Aug. 14, the Emperor announced on the radio to all the people that Japan had unconditionally surrendered.

The author goes on: "The entire nation in solemnity, tears brimming in their hearts submitted obediently to the command to surrender."

"The stationing of American forces in Japan, and its disciplined, orderly and civilized attitude was unprecedented."

"There was fear that the American people would revenge the Pearl Harbor attack in some way or another, it did not happen."

"Aug. 28, marked the first arrival of American forces, but none of the unfortunate incidents expected took place."

"The people were simply astonished at the orderly conduct of the highly mechanized American forces. Many could not believe their eyes that these clean and smartly dressed men were really soldiers."

"No volume of fine words explaining democracy and no volume of money spent in propagandizing democracy could have had as great an effect as the disciplined and civilized attitude shown by the American

forces when they arrived in Japan. It was a most impressive and excellent lesson to the Japanese people."

"The first disciplined steps of the American forces into Japan astounded and completely entranced the Japanese people."

"This civilized and the friendly attitude will never be forgotten in the hearts of the Japanese people."

"The American force did not lose sight of their spirit of democracy, even in their treatment of a defeated nation."

"Their disciplined action made me realize how greatly I had been mistaken in my concepts of the American nation and her peoples."

It appears that if the Japanese military leaders would have had their way, the war would have extended months, perhaps years. The Japanese people were very pleased to have it end. My comrades in the service at that time and I and the folks back home were extremely happy to see it end. Just ask them, their children and their grandchildren.

I was born and raised in Grayling. My father was Postmaster in the 30's and 40's and through his efforts the post office was built in 1937. After World War II, my brother Clayton and I formed the Grayling Air Service that opened the new airfield to civilian aviation.

CCEDP to host business seminar at library

The Crawford County Economic Development Partnership (CCEDP) will host the Entrepreneur Network, a series of once-a-month business development sessions, at the Devereaux Memorial Library.

Randall Seymour, first vice president and commercial lender for Chemical Bank, will speak on "What a Lender Looks for in a Business Plan", on Oct. 26, from 5:30 p.m. to 7 p.m.

"A business plan acts as the road map for the business providing directions and a destination, without it, the business will likely take a wrong turn and become lost," stated County Comptroller Paul Compo, who manages the county's economic development revolving loan fund.

According to Gaila Gilliland, Crawford County Economic Development Director, "Any business can benefit from having a written business plan. A business plan need not be lengthy or complex, but must address various aspects of the business. Randall's presentation will give participants a sneak preview, from the perspective of a banker, as to what needs to be included in the business plan."

For the past seven years, Randall has assisted businesses in Roscommon, Crawford, and Missaukee Counties. He has been in the banking industry for over 30 years with more than 18 years devoted to commercial lending, is responsible for large business loan portfolios in addition to providing branch system support for business loan and depository services, and serves as the primary source for all SBA lending as well as Michigan's Capital Access Programs.

Randall is chairman and investment committee member for the Roscommon County Community Foundation and charter member and past president for the Houghton Lake Rotary Club and the Roscommon County United Way. He is also a past vice-president and trustee of the Houghton Lake Chamber of Commerce.

Entrepreneur Network sessions are for existing Crawford County small business owners as well as individuals who are interested in starting a business in Crawford County. In addition to on-going business training, the sessions offer a new opportunity for networking among entrepreneurs and small business owners. The Entrepreneur Network provides a forum for entrepreneurs to exchange knowledge and experience, and polish fundamental networking skills.

The free sessions are held at the Devereaux Memorial Library on the fourth Thursday of each month, from 5:30 p.m. to 7 p.m. Seating is limited; contact Gilliland by email at gailag@i2k.com or call 348-9030 to reserve a seat before Oct. 25.

Murder-Mystery dinner theatre to be performed in Houghton Lake

The Houghton Lake Playhouse and the Theatre Arts Department of Kirtland Community College will present "Murder on the Trail", by Beth Roseberry McNellen, on Friday, Oct. 27 and Saturday, Oct. 28, at the Houghton Lake Playhouse.

Come join the fun in this audience participation, murder-mystery dinner theatre. Sophie Tyler's ex-husband came by for a loan just yesterday, today he needs an undertaker. Can Granite Hardpiece, Texas Ranger, find his killer? What does the local prostitute...ah call girl...ah working girl know? All the clues say the killer must be in the room. The lucky audience member who can help Granite solve the crime, wins a prize!

The cast includes Keri Franklin, as Sophie, of Rose City. The role of Candy, will be played by Brittany Dunn of Lewiston. Granite Hardpiece will be played by John Bawol of St. Helen. Jason Avalos, of Roscommon, will play the role of Lorenz. The role of Extra, Extra'll be played by Steven Jetton of St. Helen. The play is directed by Joshua Jurgess of St. Helen.

The evening will begin with a cash bar at 5:30 p.m. and the show and dinner starting at 6 p.m. The tickets for Friday, Oct. 27 will be \$20 and the tickets for Saturday, Oct. 28 will be \$26. To make reservations, call 989-275-6777. Tickets will also be available at the Houghton Lake Chamber of Commerce at 989-366-5644.

October is...
National DENTAL HYGIENE Month

October celebrates National Dental Hygiene Month because keeping up with proper Dental Hygiene is very important to your health. Whether you are young or old, you should follow these 8 basic steps to creating that beautiful smile you always dreamed of.

1. Brush front and back of each tooth after every meal.
2. Be sure to brush the chewing surface of each tooth.
3. You only need a tiny bit of toothpaste.
4. Be gentle.
5. Floss every day.
6. Use a fresh section of floss for each tooth.
7. Move floss around teeth in a "C" shape.
8. Slide the floss up and down between teeth slowly.

Make an appointment with one of these local dentists today!

God's Justification Refutes Errors

God had just finished teaching us in Romans 3:24-26 that justification is by God's free grace, through faith in our redemption by Christ's blood whereby God gives us forgiveness of sins and declares us righteous by imputing to us the righteous life of Jesus Christ.

After spending almost three chapters proving pagans, moralists, and religionists to all be sinners before a Holy God; And after explaining in detail how we can only be saved by faith in the gospel alone; God concludes this chapters with a negative polemic refuting any attacks upon the gospel of God's grace.

First, God refutes any basis for human pride or boasting in salvation in Romans 3:27: "Where is boasting then? It is excluded. By what law? of works? Nay; but by the law of faith." As God tells us in Ephesians 2:8,9: "8For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: 9Not of works, lest any man should boast." "6And if by grace, then is it no more of works: otherwise grace is no more grace. But if it be of works, then is it no more grace: otherwise work is no

more work." (Romans 11:6). God was refuting the pride of the Jews who made their boast of being saved by keeping God's law and rituals. Jesus spoke a parable against such self-righteousness in Luke 18:9-14.

God not only refuted all human boasting, but also all claims of human works for righteousness in salvation in Romans 3:28: "Therefore we conclude that a man is justified by faith without the deeds of the law." This is why the apostle Paul counted his past religious pride of his birth and achievements as dung to know Christ in Philippians 3:8,9: "And be found in him, not having mine own righteousness, which is of the law, but that which is through the faith of Christ, the righteousness which is of God by faith." As we are told in Galatians 3:11: "11But that no man is justified by the law in the sight of God, it is evident: for, The just shall live by faith." As Romans 4:5 says, "5But to him that worketh not, but believeth on him that justifieth the ungodly, his faith is counted for righteousness." Human works are always the fruit or results of salvation, and never the root or cause. Read also Ephesians 2:10.

Next God refutes all sectarianism or limitation of God's justification in salvation in Romans

3:29: "Is he the God of the Jews only? is he not also of the Gentiles? Yes, of the Gentiles also." The Jews had been taught this truth in Isaiah 54:5: "'5For thy Maker is thine husband; the LORD of hosts is his name; and thy Redeemer the Holy One of Israel: The God of the whole earth shall he be called.'" Jeremiah 16:19 also said: "19O LORD, my strength, and my fortress, and my refuge in the day of affliction, the Gentiles shall come unto thee from the ends of the earth, and shall say, Surely our fathers have inherited lies, vanity, and things wherein there is no profit." As Galatians 3:8 teaches: "8And the scripture, foreseeing that God would justify the heathen through faith, preached before the gospel unto Abraham, saying, In thee shall all nations be blessed." This is why Jesus Christ commanded us to preach the gospel to "every creature" (Mark 16:15), in "all nations" (Matthew 28:19; Luke 24:47). Our God teaches us that all other gods, bibles, and religions are false and unable to forgive sins, give eternal life, and take us to heaven. Pastor "B"

OBITUARIES

Alma M. Gorecki
July 21, 1924 - Oct. 5, 2006

Alma Margaret Gorecki, 82, of Frederic, passed away on October 5, 2006.

She was born on July 21, 1924, in South Fork, Pa., to the late John and Emma (Dorn) Penrod. She married Raymond Harry Simmons on December 24, 1941, who preceded her in death. She later married William Gorecki. She and husband, William came to Frederic in 1978 and owned Manchau's Motel until about 1981.

Alma worked for Crawford County Transportation and Hartwick Pines. She enjoyed cooking, gardening, and spending time with her grandchildren and family.

She is survived by sons, Barry (Nora) Simmons of Howell and Keith (Henrietta) Simmons of Frederic; grandchildren: Kerry, Brian (Joanna), Sarah (Felix), and Sonya; five great-grandchildren; sister, Madeline Rishell of Pa.; brother, Fred (Mary) Penrod of Ohio; and several nieces and nephews.

She was preceded in death by her husband Raymond Simmons in 1970 and husband William Gorecki in 1984; son James Simmons in 1999, two brothers, and two sisters.

The funeral took place on October 7, at Sorenson-Lockwood Funeral Home with Rev. Karen Henderlong officiating.

Memorials may be made to the Frederic Hobby Club.

Arrangements by Sorenson-Lockwood Funeral Home.

Diane L. Monks

Diane L. Monks, 63, of Grayling, passed away on October 9, 2006. A memorial service is being planned. Arrangements by Sorenson-Lockwood Funeral Home.

A full obituary will appear in next weeks edition of the Avalanche.

Nellie Gieryk

May 18, 1925 - Oct. 1, 2006

Nellie Gieryk, 81, of Grayling, passed away on October 1, 2006.

She was born on May 18, 1925, in Imlay City, to John Henry and Helena Madeline (Carter) Millard. She moved to the Grayling area seven years ago, coming from Ypsilanti. She was married to Raymond Allen Stein for 20 years before he preceded her in death, and then married Constantin Gieryk and was married for 20 years.

She is survived by daughter, Twyla (Ernie) McMillen of Grayling; sons, Dale (Terri) Stein of Monroe and Gary Stein of Lafayette, Colo.; step-children, Connie Litzner and Mike Gieryk; 10 grandchildren; and 16 great-grandchildren; sister, Mary (William) Coy of Maple Forest Twp; and brother, William (Jeanette) Millard of Ariz.

She was preceded in death by her parents; husband Raymond Allen Stein, and husband, Constantin Gieryk; one brother; six sisters; daughter, Joann; son, James; granddaughter, Tammy Lee Marshall and grandson, Dale Allen Stein Jr.

The funeral was held on October 3, at Sorenson-Lockwood Funeral Home with Pastor Robert Barnett officiating. Interment was at Maple Forest Twp. Cemetery.

Youth excels in regional motocross racing circuit

by Dan Sanderson
Staff Writer

Sam Davis ended his first year racing motorcycles with a trophy nearly twice his height.

Davis, 6, of Maple Forest Township, raced in the 50 Junior and 50 SS classes in the American Motorcyclist Association District 14 competition.

Davis received his first racing motorcycle, a KTM Mini 50 Adventure, in April.

Davis was a quick learner, riding on his families three-acres with his dad, Tom, and bother,

Jacob, 12.

Tom and his wife, Chris, opted to get the motorcycle for Sam since he loved riding BMX bicycles. Sam also looks up to his father and his uncle, Kris, who rode and raced motorcycles as youngsters.

"In my eyes, that what's it's all about, going out and racing and having fun," Tom said.

Sam raced in events at Bay Racing in Kingsley and at the Baja MX in Millington.

Sam said his favorite part of the races is when the starting gate drops and the racers try to

be in the lead at the first curve, called taking the "whole shot" in racing lingo.

Sam took first place in a series of 10 races, held at Bay Racing, based on the number of races he participated in and his first-place finishes.

He did so well at one of the tracks, essentially forcing racing officials to determine that he can not race on the smaller tracks for junior riders next year.

Sam is not intimidated about racing on the larger racetracks with older, more experienced racers.

"I want to go race with the bigger kids because they go faster and there's more jumps," he said.

Jacob, a seventh grader at Grayling Middle School, races in the Big Trail series for 70 cc and 100 cc motorcycles.

Chris said she is pleased that her sons are following in their father's footsteps, but does get nervous with the higher speeds.

"On racing weekends, we leave at five in the morning and get home late at night, then we have to do it all over again the next day, but it's something we can all do together and the kids learn good sportsmanship," she said.

Mercy Hospital Grayling receives Governor's Award

Mercy Hospital Grayling has received the 2005 Governor's Award of Excellence for improving care of patients with heart attacks and surgical infection prevention in the hospital setting, and for improving care of pneumonia patients in the Emergency Department setting.

All Munson Healthcare system hospitals also received similar recognition. It is the third year in a row Mercy Hospital Grayling has received a Governor's Award.

"We again are pleased that the efforts toward quality by our staff and physicians have gained recognition," said Stephanie Riemer-Matuzak, CEO of Mercy Hospital Grayling. "This award reflects the ongoing commitment to our mission to provide the very best care for patients."

The award is issued by Gov. Jennifer Granholm's office and MPRO, a health care quality improvements and safety organization with extensive experience in Medicare and Medicaid programs, managed care operations, research methodologies and data analysis.

Hospital officials attended the award ceremony at Soaring Eagle Resort and Casino. The clinical topics measured for the award have been designated as national health care priorities by the Centers for Medicare and Medicaid Services. In concert with Granholm, the Governor's Award of Excellence honors Michigan hospitals that are performing quality initiatives aimed at improving patient care.

In addition to Mercy Hospital Grayling, Munson Healthcare

system hospitals receiving Governor's Awards are Kalkaska Memorial Health Center, Munson Medical Center, Paul

Oliver Memorial Hospital in Frankfort, Mercy Hospital Cadillac, and West Shore Medical Center in Manistee.

Waiting for the train

Photos by Dan Sanderson

The Crawford County Historical Society, in conjunction with the Bluewater Michigan Chapter of the National Railway Historical Society, had another successful Grayling Train Excursion weekend on Saturday and Sunday. Above, Aaron Seraphinoff, 6, of Troy, checks out a 1928 Ford Model A, which was on display in the Grayling Train Excursion weekend car show. Above, Alitia Brasseur, 3, and Brenden Brasseur, 4, from Cheboygan, enjoyed some snacks and beverages served by community organizations. The youngsters, the great grandchildren of Margaret Fondaw, were in town to welcome the train while they were out viewing the fall colors in the region. Left, Dalton Peterson, 8, and Vicky Thompson of Grayling purchased some post cards with a special stamp designed for the Grayling Train Excursion weekend from Jackie Cass, the acting post master for the Grayling Post Office, and Dave Hoecherl, a post office clerk.

GPA dinner show to feature Missing Lynx

The Grayling Promotional Association's Entertainment Series will be presenting a dinner show with Missing Lynx, at the Grayling Holiday Inn on Thursday, Oct. 19.

This West Michigan based duo, consisting of Jay Round and Tom DeVries, has built a solid following throughout the Midwest with their amazing musical diversity, instrumentation, vocal harmonies, and crowd rapport. Their set lists contain a wide variety of musical styles from the grassroots traditional, country and bluegrass to swing, top hits from the 1960's to the present, and original material.

While the Missing Lynx formed in 1999, Round and DeVries have quite a history, both collectively and individually. Round was born into a musical family and learned to play several instruments at an early age. Today he concentrates mostly on guitar, upright bass, hammered dulcimer, and vocals.

DeVries is also a multi-talented vocalist and instrumentalist, playing guitar, mandolin, and harmonica.

Missing Lynx has performed opening shows for nationally known acts such as the Nitty Gritty Dirt Band among others. The duo has also appeared on several local and nationally syndicated radio and television programs.

A limited amount of tickets for this dinner show are still available, for \$30, at the Grayling Regional Chamber of Commerce, while supplies last. Dinner buffet includes BBQ ribs, sliced Angus beef and grilled chicken. A cash bar will be available.

Doors open at 5:30 p.m., with

Fish hatchery gets new coat of paint

by Dan Sanderson
Staff Writer

In an effort to get more bang for the buck, the Grayling Fish Hatchery Steering Committee gave the fish hatchery a new coat of paint with funds left over from a federal grant.

Work crews from 11-10 Custom Design, a Roscommon-based construction firm which specializes in restoration and remodeling work, will finish painting the exterior of the fish hatchery building this week.

On June, the Grayling Fish Hatchery Steering Committee was awarded a \$30,000 grant to replace the roof on the hatchery building, from the U.S. Department of Agriculture (USDA).

Funds left over from the grant were used to pay to paint the fish hatchery building, and may be used for a few other small restoration projects.

Bruce Patrick, chairman of the Grayling Fish Hatchery Steering Committee, said the building is in impeccable shape since cedar lumber was used on the exterior of the build-

ing.

"It's been an amazing summer and we have made some significant progress," Patrick said.

The paint will help preserve the exterior of the building from further deterioration.

The hatchery committee hopes to establish a nature museum in the building.

The committee hopes the enhanced outside appearance of the building will help with future fund raising efforts.

Art Levitan, the owner of 11-10 Custom Design, said he is honored to be part of the restoration efforts.

"Anything we can do to preserve our past is important so we know our history and where we came from," Levitan said.

In 1914, Grayling lumber baron Rasmus Hanson purchased land on the AuSable River, collected donations from friends and local fishermen and established the private hatchery where they hoped to raise grayling from eggs and release them into the wild.

Hanson and his friends failed

to save the native fish, whose habitat was destroyed by floating logs down the river to local lumber mills, but their work with brook and brown trout succeeded.

The initial fish hatchery building was built in 1919. The current fish hatchery building was built in 1948.

Grayling residents banded together in the early 1980s and received permission from the state to open the hatchery after it had been closed for several years.

The Grayling Fish Hatchery Steering Committee completed a project to restore the fish hatchery grounds with a \$464,000 Department of Natural Resources grant in 2003.

Patrick said he hopes the progress the fish hatchery steering committee is making on the building will encourage voters to support the Nov. 7 general election proposal for historical preservation.

Patrick said the pool of funds, which would be administered by county officials, would be

able to be leveraged against potential grants.

"You can get more bang for the buck and you don't have to find some other way to raise the funds," Patrick said.

VOTE NOVEMBER 7th FOR DANIEL J. BEBBLE "THE PEOPLE'S CHOICE" FOR 46TH CIRCUIT COURT JUDGE

In September of 2005, Janet Allen, former personal injury attorney and former chairwoman of the Otsego County Democratic Party, was appointed by Governor Granholm to the 46th Circuit Court, based on her patronage to the Democratic party. It is now time for the citizens to voice their opinion and vote for a candidate that represents the people of Crawford, Kalkaska and Otsego counties.

The courts, like other branches of government, must be fiscally responsible to the citizens that elect our judges. The Court should never have sued the citizens of Kalkaska and Crawford county over enhanced employee benefits that the counties could not afford. This lawsuit will now cost the citizens of the Crawford, Kalkaska and Otsego approximately 2 million dollars in attorney fees, which will come directly from the taxpayers. At the same time, our counties are facing decreasing revenue and have had to cut their budgets. We need a change in our courts and Daniel J. Bebble will work hard to keep our courts fiscally responsible.

Our citizens deserve a conservative judge who will apply the law, not make law. Daniel J. Bebble has the family values we want in a circuit court judge, believes in pro-life, and will be tough but fair against crime, especially those committed against our children and the vulnerable members of society.

IT'S TIME FOR A CHANGE

and school calendar concerns.

Now, the district faces contract negotiations with the union representing the district's bus drivers. Powers said the contact with the transportation union has not been finalized due to scheduling negotiation meetings with the bus drivers. Powers said contract talks with the bus drivers should be wrapped up in a couple of weeks.

The school district's enrollment, which was at 1,979 students in the fall of 2005 was at 1,942 students before school ended in June. Enrollment is expected to go as low as 1,919 students for the current school year. The drop means the district will not receive \$500,000 from the state. The district has not received \$3.3 million from the state over the last four years due to the drop in student numbers.

Fire Department receives grant to buy equipment

The Grayling City/Township Fire Department received a grant from the Department of Homeland Security to purchase equipment.

The fire department received a \$38,099 grant through the Department of Homeland Security's Assistance to Firefighters Grant Program (AFGP). The funding will be used to support fire department operations and purchase equipment for firefighter safety.

U.S. Senators Carl Levin (D-MI) and Debbie Stabenow (D-MI) said that 20 Michigan fire department and municipalities were awarded about \$2.7 million through the AFGP for the 2006 fiscal year.

"This federal funding is critical for the safety of communities across Michigan," Levin said. "Firefighters and first responders

play an important and courageous role in protecting our homes and families, and we owe it to them to provide the funding and the resources they need."

"Michigan's firefighters work tirelessly to protect our communities and our families," Stabenow added. "These grants will help ensure the fire departments across the state have the equipment and training they need."

The AFGP awards grants directly to fire departments and EMS organizations to improve the effectiveness of the firefighting operations, enhance firefighter health and safety programs and to establish or expand fire prevention programs throughout the United States. Grants are awarded competitively through an application process.

Third graders support museum's efforts

Continued from Page 1A
weekend, which is on sale at the museum.

Shae-lin Kraycs and Ally Robson, students in Canfield's class, hatched a plan to sell cookies during a recent weekend sleeper. They hit the neighborhood with the cookies in a wagon, and brought back \$39 for the museum.

"Everybody loves no-baked cookies, and we don't want to see the museum have to close," Kraycs said.

The Grayling Youth Booster Club paid for the museum visit. It was the first visit to the facility for the some of the students, who encouraged their families and friends to take the tour.

"They just thought that we need to do a better job getting

people in there because it's really nice," Canfield said. "They just took off with the idea to raise funds for the museum and these kids are amazing because they always come up with a way to make it work."

Brunskill said the students are an empathic bunch.

"They think larger than themselves and the history means something to them," Brunskill said. "They're finding small ways to make a big difference."

In addition to raising funds for the museum, the students are also lobbying their parents to back the historical preservation millage on the Nov. 7 general election ballot.

Some students have also penned letters to the editor for the *Crawford County Avalanche*, encouraging a yes vote for the tax levy.

Kay Cosgray, chairwoman of the Crawford County Historical Society, said the museum officials were tickled to see the students back their efforts. The historical society recently approved its first junior board member, Majerle Nielson, 11, a seventh grader at the Grayling Middle School.

"We would like to get a second generation to take over the museum, and this is a good start," Cosgray said. "We're ecstatic that they want to help."

The third graders are set to return to the museum in the spring. Groups of students will be charged with learning about the various sections of the museum, and will then serve as tour guides for fellow students.

"What better place to learn about history than right here at the museum," said Bill Nielson, a longtime volunteer for the museum and the Grayling Elementary school who is pursuing his teaching degree.

Filley to compete in Miss Michigan Teen USA

Fawn Filley, of Grayling, will compete for the title of Miss Michigan Teen USA this coming weekend, Oct. 19-21. The competition will be held at the McMorran Place Theater in the host city of Port Huron.

Filley is the daughter of Richard and Crystal Filley and is a student at Grayling High School. Fawn was the Ambassador for Grayling High School and attended the Hugh O'Brien Leadership Conference at Alma College. She likes participating in school musicals and plays. She has been in band for four years, and student senate. She likes to help every year with the Weyerhaeuser AuSable Canoe Marathon. Her hobbies include weekly dance lessons, snowboarding and making jewelry for her friends.

Tickets are available through the McMorran Place Theater box office 810-985-6166 or through ticket master.

The young women chosen as

Fawn Filley

Miss Michigan Teen USA goes on to represent the state in the Miss Teen USA Pageant live on national network television, and compete for over \$100,000 in cash and prizes. She will also be awarded a full four year tuition scholarship valued at \$32,000 amongst her state awards by Baker College. To learn more about Miss Michigan Teen USA, visit their website at www.missmichigan-teenusa.com or www.miss-teenusa.com.

Local bicyclists compete in Special Olympics

On Sept. 23, the roads around the Army Airfield in Grayling were turned into a race track as the 2nd Annual Northern Michigan Special Olympics Bicycling Championships were held. The race is one of only two bicycle races held in the state by Special Olympics. The other event is the State Championships which will be held on Oct. 14, on the grounds of the GM Tech Center in Warren.

The Grayling race was sponsored by Area 4 Special Olympics and was attended by 30 racers. The competitors came from Manistee, Alpena, Bay City, and Midland. Local Area 4 athletes came from Grayling and Roscommon.

Grayling resident, Brock Prater, finished second in the 5 kilometer time trial. In the 5 km road race he did not finish due to a broken chain. Fellow Grayling Olympian, Chris Wylie captured a third place finish in the 5 km time trials and finished second in his 5 km

Brock Prater, of Grayling, competing during the 5 kilometer time trial at Grayling Army Airfield finished in 2nd place.

road race heat.

This is the second year that the Michigan National Guard

has allowed the event to be held at their facility and the second year that Mobile Medical

Response of Grayling has provided medical coverage.

Local squad takes part in soccer Special Olympics

The Northland Huskies A&B soccer teams traveled to Caledonia on Sept. 30 to compete in the Kent County Special Olympics Soccer Invitational.

The "B" squad took the championship in Division 4 with victories over Newago and Kentwood. The local squad saw the opposition score first in each game before they came back to take a 5 - 1 win over Newago and a 6 - 1 win over Kentwood.

Grayling Special Olympian, Maggie Todoroff, played a strong game at her defensive position and scored a goal in the

Newago game.

Another Grayling athlete, Desi Felver also helped anchor the strong defensive effort. The victories put the "B" team record at 6 wins and 1 loss.

The Huskies "A" squad competed in Division 1 of the event and fell to a strong Wyoming team 5 - 0. The game was played in a pouring rain and very muddy field conditions. The loss sent the "A" squad to the consolation round to face Bay City. The Bay City team had already defeated the locals twice this season.

In this game the Huskies start-

ed out strong on the soggy surface and went on to an easy 7 - 0 win. Kris Brown, Grayling, scored his first goal of the season in the win. The split of games put the "A" teams season mark at 3 wins and 3 losses.

Both of the local squads, who are made up of players from Crawford, Roscommon, and Ogemaw counties have games remaining with Saginaw, Midland and Bay City. They will compete at the state tournament in Warren on Oct. 13 and 14. The local squads are sponsored by Area 4 Special Olympics.

Cedar project now offers larger enclosures for growing trees

For the past 10 years, the "Cedars for the AuSable" project has been providing northern white-cedar seedlings to property owners along the AuSable and Manistee rivers to facilitate the reforestation of this native species. The cedar seedlings are planted close to the river to provide shade to help keep the river cool, preserve the riverbank and eventually provide fish cover.

Each newly planted cedar seedling is placed inside a three-foot high enclosure to protect it from deer browse. In time, this original enclosure becomes too small for the growing cedar and a larger enclosure is needed to continue to protect the cedar sapling from the local deer population.

"If you are participating in the 'Cedars for the AuSable' project and have growing cedars that need larger enclosures, please visit McLean's Hardware Home

Center in Grayling. Bob McLean is assisting the project by keeping in stock six-foot high replacement fencing for your maturing cedars. The fencing material is black PVC coated poultry fencing so that it is

less visible on the river. Each pre-cut section of fence and replacement wooden stakes will cost \$5, about one-half its retail value," program organizers said.

The "Cedars for the AuSable" project is administered by the

Upper AuSable River Preservation Association and chaired by Howard N. Johnson. Please contact Johnson with any questions or comments at 989-753-6373 or email hnjohnson@aol.com.

Project participants can grow northern white-cedars in a six-foot high enclosure to protect the trees from deer browse.

Pratt's celebrate 50 years

Ed and Goldie Pratt

Ed and Goldie (Hagni) Pratt, celebrated their 50th wedding anniversary on Oct. 6, 2006.

They were married in Grayling, and lived several places within the state before settling down in North Branch, in 1965, where they raised their four children.

Their children and grandchildren are: Allen Pratt and children

Elizabeth and Ashley; Bryan (Shannon) Pratt and children Kathryn, Christopher and Melissa; Ron (Mary Yuhasz) Pratt and children Jon and Megan; and Lisa (Paul) Bach and children Allison, Rachael and Chelsea.

They now live in Gladwin during the summer and in Lake Placid, Fla. during the winter.

RANGE FIRING

Range firing scheduled for the period of Oct. 12 - 18 is as follows:

The Range 40 Complex, Air to Ground, located north of County Rd. 612, east of Guthrie Lake, south of Old State Rd. 618, and west of County Rd. F97 (Twin Bridge Rd.) will be conducting live and inert bombing operations by the Air National Guard during Oct. 12 - 17.

Small Arms Ranges located west of Lake Margrethe, north of Howe Rd., east of the gas pipeline and south of Portage Creek. Oct. 12 - 18.

ARF Range, located west of Lake Margrethe, north of Howe Rd., east of the gas pipeline and south of Portage Creek. Oct. 13 - 14.

Range 15, located south of the main post, bounded on the west by Cadillac Rd., and on the east by Carrier Rd. Oct. 14 and 18.

Range 17, Hand Grenade Range, located south of the main post, north of Carrier Rd., east of range 13 and west of Beaver Creek (Military Rd.). Oct. 14-15.

Range 30 Complex, located north of North Down River Rd., east of Jones Lake Rd.,

and south of county Rd. 612, and west of Bald Hill Truck Trail. Oct. 14.

In addition, the following roads will be closed on Oct. 13 - 14, Bucks East - West Truck Trail from Jones Lake Road to Bald Hill Truck Trail, Ketchum Truck Trail from Bucks East-West to N. Down River Rd., Stephan Bridge Rd. from County Rd. 612 to N. Down River Rd., and Wakeley Bridge Rd. from County Rd. 612 to N. Down River Rd.

Heavy weapons range firing is scheduled from sunrise until three hours after sunset. Due to mobilizations or critical training requirements, the Post Commander may authorize mission-firing requirements beyond this time.

This firing schedule is subject to change without notice to the public.

Contact the Grayling Department of Natural Resources for the areas closed for hunting within the boundaries of the installation. Grayling DNR telephone number: (989) 348-6371. For further information call 1-989-344-6320.

Get Ready for Winter Driving Now

(ARA) — Automotive breakdowns, never convenient, can be dangerous in cold weather. Preventive maintenance can help lessen the odds of mechanical failure. Use the following checklist from the non-profit National Institute for Automotive Service Excellence as a guide.

- Read your owner's manual and follow the manufacturer's recommended service schedules. There are usually two schedules listed: normal and severe.
- Have engine problems

(hard starts, rough idling, stalling, diminished power, etc.) corrected now, since cold weather will make existing problems worse.

- Change your oil and oil filter as specified in your manual. Have your auto technician check out the other filters: air, fuel, PCV, etc.

- The cooling system (radiator) should be flushed and refilled as recommended. A professional should check the tightness and condition of all belts, clamps and hoses.

- The heater and defroster must be in good working condition to prevent windows from fogging or icing.

- The only accurate way to detect a weak battery is with professional equipment. But do-it-yourselfers can perform routine maintenance. Scrape away corrosion from posts and cable connections; clean all surfaces; re-tighten

all connections. Wear eye protection and rubber gloves.

- Replace worn wiper blades. If your climate is harsh, consider getting rubber-clad (winter) blades to fight ice build-up.

- An auto technician should examine the exhaust system for leaks and inspect the trunk and floorboards for small holes. Exhaust fumes can be deadly.

- Worn tires will be of little use in winter weather. Examine tires for remaining tread life, uneven wearing, and cupping; check the sidewalls for cuts and nicks. Check tire pressure once a month. Let the tires "cool down" before checking the pressure. Rotate as recommended. Don't forget your spare, and be sure the jack is in good condition.

A well-maintained vehicle is safer in winter's harsh conditions and gets better

gas mileage and will last longer than a car that's been neglected.

FALL CAR CARE

Car Washing 101

(NewsUSA) – Cleaning a car is a piece of cake, right?

It is if you follow the procedures suggested by the Car Care Council. While it's the most basic procedure in car care, it does require some thought.

Research shows that 52 percent of American car owners wash their cars less than once a month, with 15 percent never washing their cars. An estimated 37 million cars smell because of interior garbage, according to a consumer survey conducted by the International Carwash Association.

To get started, you must have the right supplies for the job:

- finish-safe wheel cleaner;
- a soft brush;
- a 3- to 5-gallon bucket;
- liquid car-washing detergent;
- a hose with pistol-grip

nozzle, if possible;

- car-washing mitts or soft all-cotton towels;
- several all-cotton towels or synthetic chamois for drying.

Give the car a good rinsing from top to bottom, including the wheels and inside the fenders. Always clean the tires and wheels before washing the body, and don't use the same mitt for both. This way you'll avoid contaminating the vehicle's paint with debris from the wheels and tires.

Use a good tire cleaner with a stiff brush to improve the appearance of your tires. Next, clean the wheels with a wheel cleaner that removes the brake dust, which often blackens the front wheels.

To wash the body, use a product sold specifically for automobiles; household cleaners can strip the wax

from the paint and damage the finish. Starting at the top, wash one section at a time, thoroughly rinsing away the soap before moving on to the next section. Work your way down toward the front, sides and rear of the vehicle.

To rinse, start at the top, and let the water cascade down the surfaces of the vehicle. To avoid water spotting, dry with a chamois or similar product.

Then follow up by waxing, which not only protects the finish but also makes subsequent washing easier. Before proceeding, use a car cleaner to remove contaminants embedded in the paint.

Once the surface is clean, apply the wax, following the manufacturer's instructions.

Tips to Improve Your Gas Mileage

(NewsUSA) – Does the cost of gas have you fuming at the pump? If carpooling and public transportation are not the answers for you, you'll be happy to know there are ways to improve your fuel economy no matter what type of car you are driving.

Here are some good habits to practice for better gas mileage, from XenTx.com:

- Drive safely. Aggressive driving wastes gas fast. Hard braking or jackrabbit takeoffs can waste gas and curb mileage by as much as 33 percent at highway speeds, according to the U.S. Department of Energy (DOE).
- Slow down. The faster you drive, the more gas you waste and the more money you lose at the pump. Each mile per hour you drive over 60 is like paying an extra 10 cents per gallon, according to DOE.
- Keep it covered. Your gas cap, that is. About 17 percent of cars have missing or damaged gas caps, causing 147 million gallons

of gas to vaporize every year.

- Replace your air filter. A clogged air filter chokes off the air and causes too much gas to be burned for the amount of air. This wastes gas and causes your engine to lose power. Replacing a clogged air filter can improve gas mileage by as much as 10 percent.
- Shed the pounds. Using a loaded roof rack or trunk increases fuel consumption. Remove all unnecessary weight.
- Treat your engine right. Using a synthetic engine treatment is a great way to get better gas mileage. A synthetic engine treatment in your vehicle will reduce friction. Lower friction means your engine can produce more power with less effort. It has also shown to increase horsepower and torque and extend the life of your oil changes.
- Maintain good tire pressure. Driving with tires that aren't inflated properly can cost you a mile or two per gallon.

- Replace spark plugs. Spark plugs fire as many as 3 million times every 1,000 miles, resulting in a lot of heat and electrical and chemical erosion. A dirty spark plug can cause misfiring, which wastes fuel.
- Use the right grade of gasoline. Check your vehicle owner's manual to find out whether your car will run fine on regular grade. Regular grade fuel costs 10 percent less than premium grade.

Winter is Coming, Get Your Car Ready

(ARA) – Right now the weather is warm and pleasant, but before you know it, temperatures will cool off and there will be snow on the ground.

Not only is now a good time to check your furnace and seal up the cracks around windows and doors, you should get your car ready for winter as well.

The colder months ahead can really take their toll on your vehicle, especially if you live up north or in the Midwest. A few simple preventative measures taken now will keep your car both working and looking good during the long, harsh winter ahead.

A good place to start is by checking your tires. You need to make sure the hot pavement you were driving on all summer long didn't wear the tread on your tires down. If it did, stopping on wet roads in the fall and winter will be difficult because your tires will tend to hydroplane.

To check the tread, all you need is a Lincoln penny. Insert Abe's head into the tread in a couple of spots on each tire. If you see the entire top of his head, your tread is less than one-sixteenth of an inch deep – below the level where you can count on it in slippery conditions. Time to replace your tires.

Since dirt ages a car and attacks paintwork, now is

also a good time to get your vehicle washed and waxed. As a rule of thumb, it's a good idea to wash your car or truck every week or two, more often if you regularly drive through dirt.

Here are some other things the pros at the National Institute for Automotive Service Excellence (ASE) recommend you take care of before winter arrives:

- Have a qualified auto technician check the condition of your battery and cables, plus the radiator, and all hoses and belts.

- The cooling system/radiator should be completely flushed and refilled as recommended. The level, condition and concentration of the coolant/antifreeze should be checked periodically. (Never remove the radiator cap until the engine has thoroughly cooled!)

- Make certain the heater and defroster are in good working condition; have the exhaust system examined for leaks, a potentially deadly condition in closed vehicles.

- Replace worn wiper blades and keep plenty of washer fluid on hand to fight road salt, grit and other grime.

Vikings fall to 5-2 with loss to Traverse City St. Francis

■ **Grayling suffers first conference defeat with a 48-27 loss to the Gladiators**

by Caleb Casey
Senior Staff Writer

The Grayling Vikings fell to 5-2 with a 48-27 conference football loss to the Traverse City St. Francis Gladiators last Friday at Grayling High

School.

The Gladiators scored the first points of the game with a three-play, 46-yard TD drive following a Grayling punt. Traverse City St. Francis finished the possession with a 39-yard touchdown run and added the extra point kick to lead 7-0.

Grayling started at its own 18-yard line. A run by Tim VanNuck gained 16 yards.

Three plays later, Grayling punted.

The Gladiators moved from their 31-yard line to the 42-yard line with two running plays. On 4th and 4 near mid-field, TCSF went for it and Grayling's defense came up with a stop to take possession of the ball at the 49-yard line.

On the third play of the series, Grayling fumbled and

the Gladiators recovered the ball.

TCSF finished a five-play, 53-yard drive with a 19-yard touchdown run. With the extra point kick, Traverse City led 14-0.

The next two possessions — one by each team — ended with punts.

Golf team qualifies for regional meet

■ **Vikings place fifth out of 13 teams at district meet to advance to regionals**

Grayling High School's varsity boys golf team qualified for regionals by finishing fifth at districts last Thursday at Manistee. The district tournament included 13 teams and was held at Manistee's Heathlands course.

Individual scores for Grayling included: Trent Larm 83, Scot Olson 86, Taylor Desenfants 86, Rocky McNamara 86, Jason Wilson 90.

As a team, Grayling scored a 341 and placed fifth. The top six squads at districts move on to regionals.

"Very eventful 24 hours for our team. We first learned that Manistee National, where the event was scheduled, had been hit hard by a storm and couldn't host the event. The pro at the resort told us that they may have lost 1,000 trees. Then we weren't sure if we could stay at the hotel as they were having storm-related water problems. But that seemed to be corrected by the time we needed to check in, although the morning proved that the problem still existed as our facility had no running water. But on the course the boys had their best day of the year. Almost all of them carded birdies. Jason Wilson putted for back to back eagles after reaching a par 4 with his tee shot. Trent Larm played very consistently all day to shoot our team's best at 83," Coach Herb Olson said.

"Our fifth place (finish) qualifies us for regional competition at Karke Golf Club at Ferris

State University. Also making it to Regionals were Charlevoix, Roscommon, Elk Rapids, Manistee, and Kingsley," Coach Olson said.

On Sept. 26, the Vikings competed in a Lake Michigan Conference meet hosted by Elk Rapids at Antrim Dells.

Team scores included: Charlevoix 328, Traverse City St. Francis 329, Elk Rapids 330, Harbor Springs 336, Kalkaska 355, Grayling 368, Boyne City 392; East Jordan 399.

Individual scores for GHS included: Olson 85, Andrew Hart 90, Desenfants 96, McNamara 97, Wilson 100, Larm 100.

"Very close team event for the top spot with only three strokes separating the top three teams. This was Charlevoix's first match victory of the season. Traverse City St. Francis still ended up in the top spot for the season. We needed to keep within one spot of Kalkaska to end up in fifth overall for the season and we did. Nice league finish for Scot Olson. Fourteen players receive all-conference honors, seven first team, and seven honorable mention. Scot made honorable mention honors," Coach Olson said.

On Sept. 29, Grayling took part in a 21-team Traverse City Central Invitational event at High Pointe.

Individual scores for the Vikings included: Wilson 83, McNamara 86, Desenfants 96, Olson 96, Hart 104.

"Great day for Jason Wilson, on a tough track, with an 83. Ludington won the event with a 313. Suttons Bay edged St Francis by 1 stroke shooting 324," Coach Olson said.

JV basketball team falls to Elks, Devils

The Grayling High School junior varsity girls basketball team lost a pair of home games last week to East Jordan and Elk Rapids.

On Tuesday, Grayling lost to the East Jordan Red Devils 60-27 in a game that ended with a three on three battle.

With 1:35 left in the third quarter, Grayling's fourth player fouled out of the game, leaving the Vikings with only four players to finish the contest. East Jordan pulled one player and the teams played four vs. four until the 4:00 mark in the fourth period, when Grayling's fifth player fouled out. East Jordan pulled another player and the squads

played three vs. three for the final four minutes.

"This game was crazy," Coach Angie Dalak said. "We were in foul trouble early in the night and we never rebounded from that. Naomi Anglemeyer stepped up her game and scored 7 points. Jess Bindschatel scored 5, and Alyssa Lewis and Liz Dandy each scored 4 and had 6 boards."

"We hustled and played hard, which is what I asked of them, but we now need to combine that with some structure and discipline. Every player except for three fouled out by the beginning of the fourth quarter. East Jordan showed a ton of class by pulling a player every time another one of ours fouled out, ending the game in a three on three match. This was definitely a game that these girls will never forget," Coach Dalak said.

On Thursday, the Vikings fell to Elk Rapids 65-29 at GHS.

"It looked like it was going to be a pretty good match-up, but we did not come to play. Alyssa Lewis had 12 points, 6 boards, and 4 steals. Hannah Smith put up 6 points and 5 rebounds. Sam Schreiber scored 4 points and snagged 5 steals. Jess

Naomi Anglemeyer looks for an open Grayling teammate on Tuesday night.

Bindschatel scored 4 and pulled in 5 boards," Coach Dalak said.

"We are having our moments where we look great, but then we follow that up with some not so great moments. The girls are learning and are still improving. Our ball handlers are working on becoming more comfortable with handling pressure, which is a

huge part of how teams are breaking us down. We are starting to look down to the post more which is great because our bigs have been working on improving their down low skills and it is time to utilize them," Coach Dalak said.

The Vikings play at Traverse City St. Francis on Oct. 17.

Varsity squad loses two at home

■ Vikings fall to East Jordan and Elk Rapids in games played at GHS

The GHS varsity girls basketball squad fell to the Elk Rapids Elks and East Jordan Red Devils in two home games last week.

On Thursday, the Vikings lost to Elk Rapids 59-44. The Elks led 13-12 after one quarter and 31-26 at halftime, then pulled away in the second half.

"This is a game we really wanted. We struggled to make shots around the perimeter against their zone. We got a ton of open looks, they just didn't fall. This team is growing week by week and improving daily. I like their attitude and desire to get better," Coach L.J. Mead said.

Leading scorers for Grayling included: Abby Wheeler, 13 points, 7 rebounds, 3 steals, 3 deflections; Ashley Bindschatel, 8 points, 7 rebounds, 2 assists, 2 steals; Laura Boylan, 8 points, 8 rebounds, 6 blocks; Monica Peters, 6 points, 6 rebounds, 2 assists, 5 deflections; Jessie Baker, 4 points, 6 rebounds; Annie Melroy, 2 points, 3

rebounds, 3 assists, 2 steals; Audrey Alimenti, 2 points, 1 rebound, 1 assist.

The Vikings lost to East Jordan 61-28 on Tuesday night.

"The score does not tell the whole story. Our girls played very hard tonight. I am proud of their effort," Coach Mead said.

Grayling's leading scorers included: Boylan, 9 points, 8 rebounds, 4 blocks; Wheeler, 7

points, 4 rebounds, 2 steals; Melroy, 2 points, 5 rebounds, 2 assists, 3 deflections; Baker, 2 points, 4 rebounds; Bindschatel, 2 points, 2 rebounds, 3 assists; Rachel Doremire, 2 points, 2 rebounds; Nikki Dedafoe, 2 points; Gabby Calkins, 1 point, 4 rebounds.

The Vikings play at Traverse City St. Francis on Tuesday, Oct. 17.

Vikings fall to 5-2 with loss to Traverse City St. Francis

Continued from Page 1B

Grayling, starting from its 45-yard line, picked up a first down with a 15-yard pass from quarterback Jeff Bancroft to Josh Stapleton. On 3rd and 8, GHS gained 13 yards on a pass from Bancroft to Adam Gabriel. On 2nd and 4, Bancroft passed to Isaac VanNuck, who dodged a defender and ran into the end zone for a 22-yard touchdown. Jason Drudge kicked the extra point and TCSF led 14-7.

The Vikings answered with a five-play, 70-yard TD drive. The series included a 58-yard run and a 6-yard touchdown run. With the extra point, Traverse City St. Francis led 21-7.

The Vikings intercepted a Grayling pass. On the first play of the resulting series, TCSF ran 48 yards for a touchdown. Troy Wilson blocked the extra point kick, and Traverse City led 27-7.

I. VanNuck returned Traverse City's kickoff all the way to the goal line for a touchdown. Drudge kicked the extra point and GHS trailed 27-14 with 5:27 left in the first half.

On the sixth play of Traverse City's next possession, 4th and 7, the Vikings went for it and came up short. Grayling took over on downs at its 47-yard line.

On 4th and 2, a Gladiator defender came through the line unblocked on a punt attempt. Bancroft, the punter, pulled the ball down and ran for a first down. Three plays later, on 4th and 1, Grayling turned the ball

over on downs.

Traverse City St. Francis took over with 35 seconds left in the first half. On the final play of the half, the Vikings tried a fake field goal on 3rd and 20 and the pass fell incomplete.

On the opening kickoff of the second half, Traverse City St. Francis returned the ball all the way to the end zone for a TD. The Vikings went for two points on the conversion and failed. TCSF led 33-14.

Grayling punted on 4th and 8. On the second play of Traverse City's resulting possession, the Vikings fumbled and Gabriel recovered the loose ball for GHS.

A 27-yard run by Ryan Cooper brought up 1st and 10 at the 20-yard line of TCSF. On 4th and 1, Grayling came up short and surrendered the ball on downs.

On 4th and 20, Grayling blocked a Traverse City St. Francis punt and T. VanNuck recovered the ball for Grayling.

The Vikings turned the ball over on downs after four plays.

Traverse City St. Francis drove 62 yards on five plays and finished the series with a 2-yard TD run. The Vikings faked the kick on the conversion attempt and threw the ball into the end zone for two points. TCSF led 41-14.

Traverse City's squib kickoff bounced off a Grayling player and the Vikings recovered the ball. On the first play of the series, TCSF ran a halfback pass play and scored a 40-yard touchdown. With the extra point kick, the Vikings led 48-14.

Grayling started at its 22-yard line. A pass to Gabriel on 3rd and 10 gained 15 yards. Passes to Nick Parkinson and Gabriel picked up another first down. A pass to Gabriel gained 22 yards on first down. Passes to Parkinson and Stapleton brought up 1st and goal at the 6-yard line. On 2nd and goal at the 1-yard line, T. VanNuck ran for a touchdown. Drudge kicked the extra

point and GHS trailed 48-21.

Traverse City St. Francis recovered Grayling's on-side kick. The Vikings punted on the sixth play of the possession.

Grayling picked up a first down with a pass to Parkinson. A run by Bancroft and passes to Gabriel and Parkinson brought up 1st and 10 at the 49-yard line. Cooper ran for 11 yards on the next play. A pass to Gabriel gained 15 yards. T. VanNuck ran for 19 yards on 2nd and 10. On 1st and goal at the 16-yard line, Bancroft ran the ball into the end zone for a TD. TCSF led 48-27.

Traverse City covered Grayling's on-side kick and killed the final minutes of the contest. Traverse City St. Francis won by a final score of 48-27.

"The bottom line is that St. Francis outplayed us tonight. They were solid at every position and they did not make mistakes. We limited our turnovers but simply could not get our running game going versus their fast-flowing defense. On offense they ran us over and then made big pass plays whenever they needed to," Coach Ben Brock said. "We did make them look better than they actually were by how intimidated we were. I give St. Francis credit for taking it to us from the very first kickoff. That is something that our staff will definitely have to change if we are to make the playoffs. The postseason is within our grasp if we play how we are capable both physically and mentally."

"We did have a few bright spots on the night, though. Isaac VanNuck battled for us by catching a 20-yard TD pass from Jeff Bancroft. Isaac also returned a kickoff 80 yards for a touchdown. Tim VanNuck scored our third touchdown of the night with a one-yard run. To close out the scoring Jeff Bancroft ran it in from 11 yards out. Jason Drudge was 3 for 4 on his extra points," Coach Brock said.

"Adam Gabriel had his best

game of the year by recording 16 tackles and a fumble recovery. He also had six catches for 84 yards. Nick Parkinson had another consistent night with five catches for 55 yards while recording 17 tackles on defense. Tim VanNuck was our leading rusher with 52 yards on 13 carries. He also had 20 tackles and a sack on defense. Tim now has a team leading 90 tackles and eight sacks on the season. Ryan Cooper had 48 yards rushing on 7 carries. He will be at full strength against Boyne City and this will really help our team's shot at the postseason," Coach Brock said.

"Other double digit tacklers were Geo Bindschatel (10), Spencer Dean (10), Isaac VanNuck (10), and Troy Wilson (13). Tory Myers, Josh Stapleton, and Jeff Bancroft had eight tackles apiece," Coach Brock said.

"Jeff Bancroft finished throwing 17-31 on his passes for 208 yards and one touchdown. His season totals are 80-154 passing for 1,160 yards and 12 touchdowns. He has now gone back to back seasons passing over a thousand yards. He currently holds the school record for passing yards in a season with 1,554 in 2005. Bancroft's rushing touchdown was his ninth on the season and this mark ties him with his brother Joey Bancroft for most touchdowns in a season with 21. We are proud of his accomplishments and we know that there is still more to come with him as our leader. Jeff has promised the coaches and the team that he will lead us to the playoffs. The last time he made a guarantee like this was one year ago against Kingsford," Coach Brock said.

The Vikings are now 4-1 in Lake Michigan Conference play and 5-2 overall with two regular season games to go.

Grayling plays at Boyne City on Friday, Oct. 13, at 7 p.m.

■ **Vikings drop to 5-2 with loss at Traverse City St. Francis on Thursday**

The GHS junior varsity football squad lost to the Traverse City St. Francis Vikings by a final score of 47-20 at TC last Thursday.

Traverse City St. Francis finished a seven-play scoring drive with a 6-yard TD run and capped a four play series with a 7-yard TD pass to lead 14-0. Halfway through the second quarter the Vikings scored on a 25-yard punt return and added one more touchdown before halftime to lead 34-0.

"Traverse City scored first in the second half and put their second string in. From here on we outscored them 20-6. Our

offense only had 14 total yards at halftime, but ended the game with 269 yards," Coach Chris Kucharek said.

Grayling finished the contest with 232 rushing yards and 37 passing yards. Dustin Russo scored three rushing touchdowns for GHS and had one two-point conversion run.

"When you make little mistakes against a team this good they turn them into big mistakes," Coach Ron Wyman said.

"I was proud of our kids for playing tough and not giving up in the second half, but we have to learn from this," Coach Kucharek said.

The Vikings are now 5-2 overall with two games left to play.

On Thursday, Oct. 12, Grayling will host Boyne City at 6 p.m.

The Animal Shelter of Crawford County took in 308 dogs/puppies last year. The numbers are on the same track for 2006. Most dogs come to the shelter after being picked up as a stray by Animal Control or have been found wandering by concerned citizens. Some are thoughtlessly abandoned by their owners when they move away. In 2005, less than one-third (97) of the dogs that found refuge at our shelter were claimed by their owners. That leaves a lot of great dogs looking for loving, new homes... and they're looking to you for help!

GRAYLING REDSKINS FOOTBALL

Junior Varsity (7th grade)

The Grayling Redskins 7th grade team recently capped an undefeated season with a 7-6 victory over the Cheboygan Chiefs at Redskin Field in the squad's season finale.

The Redskins started the game with two drives over 60 yards, but both possessions ended with fumbles inside the 5-yard line.

Grayling got on the scoreboard with a 6-yard TD run by Steven Enos. Zane Tobin passed to David Bergan for the extra point.

"Trevor Dewitt, Craig Collen, and Devon Dawson carried the ball well throughout the contest. Jarred Carlisle, Jeff Brunell, Joey Latuzek, Derek Babbitt, Nick Dorn, Griffin Dean, Cameron Wilson, Thomas Burrell, and Jarred Robbins opened large holes for the running backs during the game and throughout the season," Coach Bill Dean said.

The team's defensive unit was led by Avery Bergman, Calvin Kangas, Brandon Bieda, Brandon Young, Russell Stein, Ryan

Randall, Cody Elmy, Joey Schwartz, and Nick Wells.

"The boys worked hard in practice, executed well in the games, and deserve the success they earned this season. This is a great bunch of kids who will continue to be successful at the next level," Coach Dean said.

The Redskins travel to Mt. Pleasant on Saturday, Oct. 14, to view the CMU Chippewas play Ball State and conclude the season on Oct. 21 at 4 p.m. with a banquet at the American Legion Hall.

Volunteers needed at Recycling Center

Grayling Township is looking for people who may wish to volunteer time working at the recycling center on North Down River Road. All hours worked can count towards graduation requirements for students, and will satisfy mandatory community service requirements for persons on court probation.

Volunteers will work with a small team of employees sorting and baling recyclables and waiting on the public when they drop off items to be recycled. Any number of hours per week, form 8-to-48, are available for work.

Grayling Township is dedicated to recycling as an earth-friendly service which saves our natural resources and keeps reusable items out of our landfills. Since 1997, the Grayling Township Recycling Center has sent more than 8-million pounds of recyclable items back to markets for remanufacturing.

Interested persons may contact John Wotring at (89) 348-3195 at the recycling center, or Terry Wright at (989) 348-4361 at Grayling Township.

The third annual Michigan Basketweavers Convention held in Grayling drew 400 weavers and visitors to the Grayling Holiday Inn.

Crawford County woods have attracted a lot of bowhunters but the archers haven't been reporting too many kills, said DNR wildlife biologist Ray Perez.

Bill Lucksted, a '79 GHS graduate, broke two Grand Valley State records, and tied for another one Saturday in a 52-21 romp over Ferris State. Lucksted, a starting wide receiver since his sophomore year, caught five passes for 135 yards and two touchdowns. He now holds the career receptions and total yardage records formerly held by Rob Rubik and Jeff Chadwick, who play for the Detroit Lions.

The public is invited to an open house at the Grayling Structurwood Weyerhaeuser Mill on Saturday, Oct. 15 from 8 a.m. to 4 p.m. Guided tours of the \$60 million facility will be conducted and films, displays, and refreshments will be on hand at the mill.

The Grayling High School Student Council picked Oct. 21 as the date for the GHS Homecoming. Thursday night, Oct. 20 will be the traditional snake dance. The GHS band will lead the parade from the high school through town to the football field, where there will be a bonfire, speeches and a few cheers. Friday afternoon there will be the homecoming parade, with the band, floats, and the king and queen nominees from

each class. The game against the Boyne City Ramblers will start at 8 p.m.

Some two hundred pupils, teachers and officers were on hand last Sunday morning for Michelson Memorials new church school year. Total enrollment figures are not available nor is a complete roster of church school workers, but indications are that a very good year is off to a very good start.

Last Friday night during the football game, the band put on a political half-time show with the main theme being "Election Time." The band formed the letters K and N in honor of the presidential candidates.

December 22-January 19

Feeling blue, Capricorn? Lucky you to have so many friends who care. They will coax you out of your funk with a lavish feast. Don't forget to say thank you.

March 21-April 19

True to form, Aries, a young friend plays the odds once again. Don't bother being there to pick up the pieces. This is one lesson they must learn on their own.

June 22-July 22

What a week you're in for, Cancer. You're slammed with work everywhere you turn. Keep your nose to the grind and push your way through it. You won't regret it.

September 23-October 22

A family friend receives a clean bill of health. Send them a special token of congratulations. A project in the works raises everyone's expectations.

January 20-February 18

Financial freedom is yours at last, Aquarius. Slip on your dancing shoes and get ready to party. An announcement at work puts life into perspective.

April 20-May 20

You're a picture of health these days. Share your secret with an ailing acquaintance. A dream inches closer—work to make it happen.

July 23-August 22

Encouraging words come from an unlikely source, Leo. Use your newfound confidence to inspire others. A small miracle takes place close to home.

October 23-November 21

Your taste for the finer things in life is taking its toll on your finances. Cut back and take some time to enjoy the treasures you have collected thus far.

February 19-March 20

Childish impulses strike, Pisces. Let your hair down and have a little fun. Who cares what others think. Travel plans are on par for the course.

May 21-June 21

A deserving coworker comes through a trying ordeal. Take them out to celebrate. A news story piques your curiosity and turns you on to a new hobby.

August 23-September 22

What a blast this week is going to be, Virgo. Old friends and new will stop by with interesting tales and pleasant offers. Who knew you were so popular?

November 22-December 21

Wishing you were someplace else, Sagittarius? Don't look now, but a trip is in the works. Enjoy yourself and don't forget to take along some extra film.
